WHY SHOULD I ATTEND?

Summer will never be the same again! If you were to ask yourself "What can I do over the summer that will be fun, exciting, challenging and rewarding, all at the same time?" The answer is: *Stepping Stones* Summer Camp! You will discover a new and thrilling path to your future. *Stepping Stones* Summer Camp is your first step to understanding the world around you.

WHAT WILL I DO?

You will work with current engineering students who will help you discover what engineering is all about. Through a variety of fun and exciting hands-on activities, you will gain a better understanding of engineering concepts and applications. "What is engineering?" "How does engineering relate to the environment?" "Do I want to be an engineer someday?" These are just some of the questions *Stepping Stones* will help you answer.

WHO CAN APPLY?

If you are entering 7th or 8th grade in Fall 2009 and are interested in math, science and/or engineering, you are strongly encouraged to apply.

WHAT ARE THE DATES & TIMES?

There are two sessions you may choose from: July 13-17 or 20-24, 2009. The camp runs from 9:00 am - 3:30 pm daily. *Stepping Stones* staff will meet you on campus beginning at 8:30am each morning. Lunch will be served at one of the dining halls at the University of Maryland.

COST?

The cost of the *Stepping Stones* Camp is \$350.00 per participant. **PLEASE do not send the fee with the application!** Upon acceptance to *Stepping Stones*, the commitment fee of \$350.00 will be due by May 22, 2009. Full and partial scholarships are available based on financial need.

HOW DO I APPLY?

To apply please go to www.wie.umd.edu/precollege/stepstone.html to complete the on-line application (paper forms are available upon request) and download a recommendation form. Complete applications include biographical information, student's personal statement and a letter of recommendation from a current math or science teacher. We will begin reviewing applications on April 3, 2009.
