Girl Scout Engineering Saturday

Hosted by Women in Engineering (WIE)

Saturday, October 3, 2018
10:00 AM—2:30 PM
University of Maryland, College Park

Girl Scout Engineering Saturday (GSES) is a program for local Girl Scout troops in Maryland and the surrounding area. In this program, Cadettes (grades 6-8) will engage in fun hands-on activities and work to earn a special WIE patch while learning more about engineering and science.

To earn the patch, scouts will participate in different activities working with other local scouts and current UMD engineering students.

Register online at http://wie.umd.edu/k12/gses

Registration & Cost
There is a $20.00 fee to cover the cost of lunch, patches, and activity supplies for each participant.

Participants will be accepted on a first come, first serve basis.
