The Women in Engineering Program and the Center for Minorities in Science and Engineering PROUDLY PRESENT:
S.P.I.C.E. CAMP

Students will be introduced to the world of engineering through projects, tours and guest speakers. Students will become familiar with the engineering entrance requirements for college. Students that are already very interested in obtaining an engineering degree will have the opportunity to begin the course planning process! Activities will include hands-on engineering activities, professional speakers, tours, student speakers, faculty speakers and a company visit. All activities will be supervised and conducted in a safe learning environment on the University of Maryland, College Park campus.

Who should apply:

S.P.I.C.E. is open to young women currently in their 8th or 9th grade year. Women from under-represented populations in engineering are strongly encouraged to apply.

Dates: June 23-27, 2014
Times: 9:00 a.m.—4:00 p.m.
Location: University of Maryland
Eligibility: Rising high school freshmen and sophomores
Food: Snacks will be provided
Cost: $350.00 due upon notification of acceptance (price subject to change)

Requirements:
• List of most recent math and science courses taken
• Teacher recommendation
• 250-word essay on the topic “What can be done to encourage women and minorities to pursue engineering?”

Please include these items with the registration form.

We will begin reviewing applications in early April. Students are encouraged to get applications in early.

Mail completed application to:
Ms. Trinette Young, S.P.I.C.E. Co-Coordinator
1131 Glenn L. Martin Hall
College Park, MD 20742
Phone: 301.405.3878

Online registration can be found at www.cmse.umd.edu or www.wie.umd.edu
