Summer 2016
The A. James Clark School of Engineering at the University of Maryland
presents
Stepping Stones
To Your Future
Engineering Summer Camp
“YOUR FIRST STEP TO UNDERSTANDING THE WORLD AROUND YOU”
A co-ed commuter camp for rising 7th & 8th graders
Runs from 9:00 am to 3:30 pm daily
Work with University of Maryland engineering students to perform fun science experiments and engineering challenges.
Discover just how much fun engineering is and how it can impact your future!

Apply Online Starting February 1 — Applications Due April 1
